“ *I was so sad to read of Terry's passing, I liked her from the first time I met her at Brookdale. She always had a smile on her face and Wes (my late husband) and I always had a good laugh and Billy enjoyed seeing Miss Breezy. Hank I will keep you and your family in my prayers as you go through your time of grief.*

God Bless Peggy

“ *Though we have not seen each other in a long time, my memories are so fresh. Aunt Terry always made you feel welcome and loved. Everyone was treated as family. Her sense of humor was second to none. Her namesake keeps up that tradition. I will miss your warm smile and great hugs. I know you are at peace watching over us all.*
