“ I want to offer my sympathy to the Ashley family for their loss. I was a friend of Tom's elder brother, Don, whose passing last year was a blow to all his classmates from LHS. May the Peace of the Lord be with you all.

“ Such sad news. Many fond memories as kids growing up with Tommy in the Balmoral Circle neighborhood. Bike rides, football games, and playing until the street lights came on. Peace be with you, Tommy.

“ To my good friend Tom, The only thing that takes the sting out of knowing you are gone is to drift into memories of our past days spent together. Affectionately known as "Smash", I had the pleasure of walking many a fairway with him, and enjoying a beer or two on more that one occasion. Never a dull moment around this boy. The way he would raise his eyebrows and then burst out into laughter will be a memory I will carry forever. I will miss you, but never forget you.
