“ I was a classmate of Tommy's at LHS. Please know that my prayers and sympathy are with all of his family. I have fond memories of his father, Jack, who transported my mother(a widow with three children and no car) to the grocery store etc frequently and often at little or no charge. I know Tommy was this kind of guy!

“ I was in Tommys class at Leesburg High School. What can I say about Tommy! He loved his hotrods. Never had his picture in the high school annual. I was fortunate to become reacquainted with Tommy this year. He was a lot of fun, nice looking and friendly. I know that his family, that he loved dearly, will miss him.
