“ *Tommy was one of the most boisterous person I have ever had the pleasure in knowing. He had a larger-than-life personality; always positive, charming, spontaneous & humorous with a wonderful laugh that always made you smile & giggle along. His absence will be greatly missed. May God bless your family during this time and always, Katie*

“ Tommy was a welcomed friend at a hard point in my life. We spent many hours talking about scripture and about life. He may have made some mistakes in life but underneath it all he was a great and loving person. I am very saddened by his loss. I am sure he knew Jesus Christ as his personal savior so this brings me great relief. I wish I could have said goodbye.

“ Tommy was Emerson's first friend that also has juvenile diabetes. I praised God for giving him a friend who shared that challenge. I'm sorry to hear he has already been called Home. I'm very happy to know that he loved God, so we will see him in Heaven. I pray that God will comfort you during this sad time.
