“ I ran cross country with Tom at Conard. Great guy. Excellent team mate and friend. When i was unable to run in senior year due to shin splints I should have asked Tom to take over for me and become captain. Never thought about it at the time. Regrets. Amazed that he ran 6:07 miles for 26 miles. Never knew that. Wish now I had kept up with his career. Regrets here also. Sent a note to him asking him to come to our most recent Conard reunion. He never responded. Further regrets as I would have loved to catch up with him. My condolences on his death. We will all miss Tom Durie. Ray Ruddy
