“ Just wanted you all to know that the funeral was an amazing testament to all of your lives. You are all loved by so many it was overwhelming. I was there in the very back row looking at a lifetime of folks who loved Lil' Tom and you all. To see how many lives your family has impacted was very humbling and reminded us of how much difference each life makes. Those who leave us behind aren't really gone, there just waiting on us in a better place. What a fine reunion its going to be on the other side someday! Love to you all,

“ On behalf the Priester family, we wish to express our heart felt condolences to Shiner's family. Shiner was a friend to all no matter the age. Even though a few years younger than him he always treated me like one of the guys and went out of his way to befriend me at a difficult time in my life. I pray for peace in your hearts for we know he's heading up some good things in heaven right now, He was truly a super person.
