“ Hello. I remember Tom well as we graduated from Leesburg High in 1969. I always looked for Tom at our reunions and was saddened to find he'd passed in 2009. I remember his sister Lois also but I never saw her at reunions. I would love to hear a little more about his life-- I remember he was smart as hell and always drove that old Bultaco motorcycle! If you see this Lois-- shoot me a quick email---I always wondered what he would do with 'all those smarts! & would love to hear from you!

“ Many wonderful memories growing up together in Leesburg. Thanks for all your patience in trying to help me learn Math. God brought you back into my life so we could reconnect a lost childhood friendship and I am ever so grateful. May you find Heaven filled with great Stock Options. Save a place for me and we'll start a new Monopoly game to last eternity. Love, Patsy
