“ Becca & Family I thoughts and prayers are with you all. It is one of the hardest things we all have to go thur in life. I know you loved your Papa, I feel the love when you speak of him and I know you have been so concerned about him for awhile now. Just know he is with other loved ones that also have been waiting for him. ❤️ God Bless you and your family. If you need me, know I am here for you sweetie. Love you.

“ Really wish that I had the chance to spend more time with you but I know that God needed something more to add to his Garden and he choose you. I know that you are no longer in pain or suffering anymore and you are in the best hands. I know that you will always be watching over us just as you always did here on Earth. Papa you will be truly missed and are loved very much may you spread your wings a soar thru the sky. <3
