“ Dear Paul and Peter, So sorry to hear of Tom's passing. It must have been quite a shock to you all. Life is just too short! I didn't realize how extensively he had traveled although I did know that Tom and your Mom took several trips to Ireland which they really enjoyed. He must have had a happy and successful life which is all we can really hope for. I know you will miss him, but you will have many good memories of growing up in a happy and supportive family. My best to you both!
