“ Florence, Stacey and Erica, I am so sorry to hear about your Dad's illness and passing. He was very proud of his two girls their jobs and great guys that they married. Remember how much he loved Italian food and would always order the same Spagetti and meatball dish. How he loved to play golf ("Tiger Hood") and how he would yell at the TV during Nascar races. You Dad was a first class correctional officer, he was respected by both his peers and inmates. My children and I have fond memories of him and our travels. Our thoughts and prayers are with you during this time of sorrow. Betsy
