“ Shakespeare wrote: "His life was gentle, and the elements so mixed in him that nature might stand up and say to all the world.... This was a Man !" And we stand up and say that our Tom...husband,father,brother,brother-in-law,uncle...was a giant of a man. The elements of kindness,gentleness,humility,objectivity,integrity,and so many more,exhibited themselves tremendously in Tom. The more I knew him,the more I liked and appreciated him. And I was so pleased that my sister Lorraine had married him,for I realized what a source of comfort he was for her and their children. He was a rock,a safe haven,a person you could always go to and depend upon. Tom,Pacem in Terris. Loving thoughts always,John,Pat and Martin

“ *Tom and I worked together in the New York State Police when Tom was an Investigator assigned as the Troop "A" Evidence Custodian and I was a young Sergeant at the Warsaw barracks. Tom was very much a mentor to me and many others in the State Police. It does not surprise me that his strong character and integrity have been noted by his friends in Florida that have commented on this site; Tom was a great man. He was so very professionally competent, yet so personally considerate and kind. My condolences to his family. This world is a better place because Tom was part of it. “ I have lost another good friend. Tom Kenny. Tom was a true gentleman with a great sense of humor. Many evenings we sat with our wives for cocktails or dinner and told "war stories" and made each other laugh. Of course, another favorite topic was food. Just like me, he loved his food. that is one thing he truly missed as do I. He served 35 years as a N.Y. State Trooper/Investigator. He was a credit to his Department an a top notch Investigator. I will miss him and our conversations .If there is a Heaven, I'm sure Tom is playing his other favorite pass time Golf., and watching and appreciating nature. Tom you will be missed by me and anyone lucky enough to get to know you. Rest in Peace buddy, Love, Vince and Lady Di
