Obituary of Thomas Lynch

Thomas Mark Lynch, 53, of Leesburg passed away on Wednesday, April 27, 2011 with his family by his side. He is survived by his wife, Vicki; three daughters, Heather, Whitney, and Danielle, one son, Cody; three grandchildren, Jada, Dainte' and Nisir; his mother, Polly; two sisters, Molly and Melissa, and one brother, Mike.

In a world that is black and white - Mark found color everywhere. He lived his life big and out loud. The colors in his life could even be found on his body by the many tattoos that he had acquired over the years and was so proud to wear.

He spent the better part of the last 25 years on the road where everybody knew him as "Coyote". He traveled from coast to coast and saw the United States through the eyes of a truck driver. He made sure that he left no stones unturned. Throughout his life he had worked in home building, operated heavy equipment, and worked at Walt Disney World making fiberglass molds.

He loved his family. But he found love for everybody. He never met a stranger. Mark was a very special man - a certain kind of somebody. And to his wife and children he was nothing short of their hero.

He was the first born child of Polly and the late Thomas Newton Lynch. Mark is at peace now but his mother will hold his heart and keep his memory alive forever.

As a young child, Mark grew up in and around Venetian Gardens in Leesburg. His family would like to invite friends to join us there @ 9:00 am on Saturday - May 14, 2011 as we celebrate his life and bid him our final farewells.

We will spend the rest of our lives missing him and pray that we will all be able to find peace in knowing that someday he will be waiting at the doors of Heaven to welcome us in.

“ Mark, you have alot of friends here at BBH II. We will all miss you. Since you have left us, I have a butterfly that flies around my office. I would have never thought of you as a butterfly, but I named him Mark. Even though you are not here to play security, I know you are watching. Please know that you were loved and you will be missed.
