You are a very fine person and probably a reflection of the type of man he was. Please accept our sympathies and convey them to your family. With love, Mitzi and Bernie

“ I wouldn't have known that it was OK to like Jethro Tull and Emerson, Lake & Palmer if Mr. McCann hadn't said so. I was in 7th grade and was getting a lot of conflicting signals about what was art and what wasn't. Having a respected music teaching confirm my taste was important. May he rest in peace.
