“ *I wish I could see you one more time come walking through the door but I know that is impossible. I will hear your voice no more. I know you can feel my tears and you dont want me to cry. Yet my heart is broken because I cant understand why someone so precious had to die. I pray that God will give me the strength and somehow get me through as I struggle with this heartache that came when I lost you. May God be with Karen and family at this time. Tom was a good man and help all those he knew. Great sense of humor, loving family man, professional master painter. May Tom rest in eternal peace and fly with the Angels.*
