“ Tom was a man who touched your life the first time you met him. Barbara, you and Tom were such good friends and neighbors to my parents throughout mom's illness and death -- I will be forever grateful!! I'm glad I got to know Tom a bit in our front yard talks when he offered up Oreo for "dog walking therapy." In a moment he was caring, helpful, understanding and funny. I know the community and church has lost a servant, and many have said goodbye to a great friend. My prayers are with Barbara and his family.

“ Daddy, How I wish I could be there to pay my respects. I have said to you so many times you're my rock. I don't know what to do without you. You have always been there for me daddy, you never gave up. The memories of you giving me money for every time I hit second base, third base, esp those home runs. Seeing you jump up and down on the sidelines, what wonderful memories. All the vacations to the smokey mountains. The hiking you, Larry and I did. The boiled peanut trail we left from Fla all the way to our destination. Teaching me the insurance business. Pushing me to strive for the best. There are so many wonderful memories daddy. I will cherish them in my heart forever. I love you

“ My prayers are with your family. I know our dog, Belle, loved crossing to your yard to sneak a visit. Tom will be missed and I imagine that Belle is visiting with him now. You know a great neighbor when they love your dog! My blessings to your family!
