June 9, 1938 - January 13, 2015

Obituary of Thomas Padden

Thomas Edward Padden, 76, passed away peacefully on January 13, 2015 at Cornerstone Hospice, The Villages, FL, after a long and valiant battle with esophageal cancer. Tom was born in Wheeling, WV to Edward and Aimee Padden on June 9, 1938. His sister Mary Jane (Padden) Casey preceded him in death in 2011. He is survived by his beloved wife of 54 years, Nancy (Boury) Padden and 4 children - Michael (Jill) Padden of Woodbury, MN; Timothy (Audrey) Padden of Palatine, IL Aimee Padden (Chris Cutshall) of Dallas, TX; Karin (Chris) Kidd of St. Charles, IL. He took extreme pride in his three grandchildren Brittany Gale Padden, Edward Phillip Padden and Connor Thomas Padden. Tom graduated from Central Catholic High School in Wheeling, West Virginia. He then received his degree at West Liberty State College in West Liberty, WV. Tom began a lifetime career in food service with Elby's Family Big Boy Restaurants. From Elby's, Tom moved into a management position in the Big Boy division of the Marriot Corporation. After leaving Marriott, Tom became an executive with the McDonald's Corporation. He began his career with McDonald's as a purchasing manager for the Mid-Atlantic Region of the U.S. It was during that period that Tom and his staff launched McDonald's national breakfast program. For his efforts on this project he was awarded the prestigious McDonald's President's Award. Tom received multiple promotions eventually becoming Director of Purchasing for

McDonald's U.S.A. Tom left McDonald's and joined Coronet Foods located in Wheeling, WV. Coronet was a produce processor and major supplier to the McDonald's Corporation. While at Coronet, Tom supervised a joint venture partnership with China and Coronet Foods. The partnership included starting and operating a 5000-acre growing farm in the Chinese province of Guangzhou. Tom spent most of the last five years of his career working and traveling through China. Tom served on the Board of Directors of the Ziegenfelder Company. Ziegenfelder established in 1861 manufacturers frozen water ice novelties for the retail market sector. Tom's brilliance, passion and energy touched everyone that came into contact with him. Tom's amazing memory rarely let him forget a name. He had that innate ability to make everyone feel welcome who encountered him. Tom loved his country. He also loved his home state of West Virginia. He was happy to tell anyone that he was a Mountaineer! Tom loved his dogs, especially Sabre who was his friend and companion for many years. Tom enjoyed reading about and discussing sports and politics on every level. Tom enjoyed playing racquetball and later in life found pickle ball. He also loved golf. Tom's good natured competitiveness endeared him to those who were fortunate enough to play with him on the court or golf course. Tom was generous. He was generous with his time, his humor, good counsel and willingness to give on every level. Besting Tom for a dinner check was a challenge not often won. Tom gave without any expectations of compensation. His unconditional giving touched many lives. Tom's generosity left you with a sense of trust, hope and optimism. A memorial service and celebration of Tom's life will be held at St. Paul's Polish Catholic Church on Saturday January 17 at 11:00 a.m. in Belleview, Florida. In lieu of flowers, memorial contributions may be made to Cornerstone Hospice Foundation, 2445 Lane Park Road, Tavares, Florida 32778 or to Sumter County SPCA and animal shelter, 994 CR 529a, Lake Panasoffkee, Florida 33538.

“ Nancy, We were deeply saddened to learn of Tom's passing. Good neighbours are never forgotten. We will always remember Tom's generosity and thoughtfulness to our daughters as he would always bring them home souvenirs from China. Always knew how much he liked sabre. We now reside in Punta Gorda, so if you are ever in our area, please give us a call. Once again our deepest sympathies. Mark & Becky

“ To all who knew Tom he was the epitome of being a loving husband, father, a true patriot, and one whose high business ethical standards were an example to everyone. For Louise and myself for 38 years we have always admire Tom as a professional friend, but most notably as a personal friend. Tom will be greatly missed, but we take solace in knowing that he is now resting peacefully with the Lord.

“ I was deeply saddened to learn of Tom's passing today. I was privileged to have known him and to have spent several years working with him in DC and in Oakbrook. He was a prince! Unfortunately we seem to have run out of the cloth from which he was cut. Nancy, I send my sincere condolences to you and to your family. With warm regards, Peter Grimm

“ Nancy & family, What a beautiful obituary. Yes, I will always remember Tom's smile. He will be remembered for his smile, understanding and love of family. May his love remain in your heart. I believe you will continue to travel together united by the many years you traveled together and of course seeing him in your children. What a beautiful gift to be together over 50 years. “ Being Tom's sister-in-law I have known him for over 50 years. He is the only relative that I have had that never offended me or made me angry. He was so easy-going. The only time I saw him get mad was at the TV set and Obama. That didn't bother me because most of the time I agreed with him. He was a true patriot and loved our country. Tom never had a bad word to say about anybody and always had nice things to say. I will miss him deeply.

“Perhaps they are not the stars, but rather openings in Heaven where the love of our lost ones pours through and shines down upon us to let us know they are happy.” ~Author Unknown Dearest Paddens - It is with great sadness that I hear of Mr. Padden's passing. I will always remember what an awesome friend he was to my dad, Joe, and with fondness I remember the family gatherings with the Adams, Tedricks, Segraves, and Browns. We have not spoken in some time, but I have kept up with you through my mom. May God bless your family and you find some peace in knowing the tremendous impact Mr. Padden had on all those he came into contact. -Warm regards ~ Michele.

“ I was friends with Tom's son Tim in the mid-70's and spent *a lot* of time at the Padden household. Mr. Padden was always a solid guy, even when I caused trouble he and Mrs. Padden would welcome me back. A good man will be missed.

“ Nancy: First off, I am deeply saddened by Tom's passing and am keeping Tom in my prayers. Time and distance has kept us apart for the last several years but never diminished the affection that we had over the years. Tom always had the knack for getting the most out of life and making others feel the same. My memories of Tom extend over seventy years to our time in the first grade at Cathedral Grade School. I regret that I never made it to Florida in the last several years. It seemed that whenever the opportunity presented itself, my work or my back interfered. May Tom rest in peace. I know that these last year's have not been easy on Tom and you and now he is at peace. I am scheduled to arrive in Orlando at 8:45 tomorrow morning. Hopefully, I will be able to make it to St. Paul's by eleven. I wanted to come down today but a long scheduled visit to the Cleveland Clinic today and airline schedules made it impracticable. I am anxious to see you and your family. Bill

“ I extend sincere my sympathies to the Padden family ...and to the rest of us who have known & loved Tom. He gave true meaning to the word mentor. My regret is never having had the opportunity to challenge him at a sport. From my watching this battle from afar I know he proved himself a ferocious competitor. And in saying that I also know he was equally accomplished at being gracious and considerate. I simply love Tom for his ability to be frank and forthright. He viewed a spade as a spade. And the world he wanted for all of us was either right and wrong and had nothing had to be wishy between. We all got that with him. All of us who adored his style knew they were speaking to a real man with foundations. I of course will miss him but always remember his wise counsel. May God Bless Tom & his entire family. “ Nancy and family, George and I are very saddened by your loss. From the first flick of a porch light we became friends. Tom was always trying to look out for a neighbor and friend. Even as sick as he was, he was always concerned with how the other person was feeling and letting you know he was there if you needed him. He was one person you wanted in your corner if you needed anything. Seven years wasn't long enough to have him in our life and we will miss him terribly. Love, George and Wanda Sanders

“ Nancy, Karin, Aimee, Tim & Mike, Tom was one of the great ones. We knew that from the moment we met him. Over the past 15 years, we've come to greatly admire Tom for his love of his wife and family, his concern for other people, and his quiet strength and courage. We have been grateful to Tom and Nancy for welcoming our son, Chris, into their family as their son-in-law. It has been our joy and privilege to have Karin as part of our family. “ Tom Padden, the loving father of one of my dearest friends in life, Tim Padden was always one of my favorite dads. He was the leader of a wonderful family and raised great children and some very good athletes (Mike and Tim) through his love of sports. Tom and my father coached their sons together and that was a great time in our lives. You will be remembered and missed Tom Padden. Rest in peace and peace and love to the Padden Family.

“ Our deepest sympathy to Nancy, the children and grandchildren of Thomas Padden. He was a guy who impacted the lives of so many people in a positive way. He was a fellow CCHS graduate and WVU graduate as well. Tom leaves a space in our hearts that will never be filled. Can you imagine the scene at the pearly gates when this former marine confronts St. Peter? The conversation might go something like this: "St. Pete we've got to get this place shipped up! Here's my to do list that we need to work on ASAP!"

“ Two years ago we moved to this area and were privileged to meet and become friends with Tom Padden. Tom always displayed a positive attitude and was more concerned with your problems than his own. We had many discussions about community and national issues and our time together was all too short. He was a thoughtful and compassionate man and will be missed. Our thoughts and prayers go out to Nancy and his family. Rest in peace Tom, we will miss but not forget you. Bob & Carol Boyack

“ It is with a sad sad heart that we say goodbye to a dear friend. Tom was indeed a most easily met man and a joy to know for the past 49 years. Lynn and I often recollect on our good times with the Padden family in Chicago, his bear skin rug at Lake Geneva, how he laughed when I exited the onion storage room crying in Wheeling, and the too infrequent phone conversations that were always fun especially when we got around to politics or the stock market. In my view Tom had that innate ability to say what was on his mind without being offensive and laughed easily. God speed my friend the joy of knowing you will live on in our memories! “ Our condolences to Nancy and the entire Padden family. Tom was a wonderful individual. My working relationship with Tom began in the McDonald's regional office in Tyson's Corner Virginia where Tom led the Purchasing activity. Having an office next to Tom's provided an expanded and interesting view of McDonald's for me as a rookie accountant. Tom and Nancy invited us into their home in Maryland and welcomed Harriet and me to the East Coast. Tom was a constant teacher of what was happening from the price of beef (always FOB) to dealing with the sale of 88 trailer loads of Ronald McDonald drinking glasses. We met in Orlando a few years after both of us retired from McDonald's, where we joined Fred Turner and all the McDonald's Old-timers and where we were able to share some great memories of our time together in Virginia. Nancy you and you children had a wonderful husband/dad in Tom. He will be missed. And always remembered...

“ I have many great memories of Tom, growing up and having our polish cook outs was always fun. My last time visiting was at Karen's house with my father and we just sat around talking and laughing for hours. I still get a kick out of him telling me over the phone that he would give me 5 grand if I just eloped so he didn't have to put on his tux for my wedding -:)) he asked me several times, but he did look great in that tux. I have visions of him playing golf or having a beer with my dad and Joe Brown. The three are back together laughing and catching up with each other. Love you all Tammy

“ Regarding the death of Thomas Edward Pasden: My family and I extend our deepest sympathies and heartfelt condolences to his survivors--especially wife Nancy, daughter Karin and son in law Chris Kidd. I'll never forget Karin and Chrihs' nuptials at the Wheeling Country Club. The perusal of a family heirloom/punchbowl, an unusual gift of olive oil from sister Aimee and the spectacular release of doves are just a few fond memories of their wedding. Nancy, I dearly remember your having shed weight at a local Curves. My dad attended Wheeling Central Catholic High School/ with Tom. In fact, they graduated together. Both men had illustrious careers and, as good catholic boys do, were "fruitful and multiplied". Fortunately I still have my parents but when they pass (as elders inevitably will) Tom is going to escort them to their future home with our Father in heaven Amen Jesus!
