Thomas James Schott, 77, of Lake Panasoffkee, Florida, passed away on Sunday, April 26, 2015. At the time of his death Tom was surrounded by his family.

Tom was born on November 19, 1937 in St. Joseph, Missouri. He attended Christian Brothers High School where he graduated in 1955, graduated from Highland Junior College, Kansas in 1957, then served in the Army in the Korean War. He is survived by his loving wife and high school sweetheart, Lillis Reagan, who he married on November 21, 1959. A few years later, they moved to Belleville Illinois, where they spent the majority of their lives before retiring to Lake Panasoffkee, Florida, where she presently resides. During their 55 years of marriage, they were blessed with five children: Dr. Thomas (Jennifer) Schott, along with their two children, Stephanie and Andrew, and three grandchildren Tyler, Lillie and Mattie; Joseph (Patti) Schott, along with their two children Tyler and Alex; Denise (Michael) Moore, along with their three children, Cassandra, Madelyn and Dallas, and their grandson Branson; Lawrence (Shelley) Schott, along with their two children Reghan and Nolan; and Daniel (Ana) Schott, along with their two children Tzurriel and Aidan.

Tom was a loving father, husband, grandfather and great grandfather.

Tom loved spending time living and playing outdoors. He enjoyed working his heavy construction job, hunting, fishing and spending time outdoors with his children until he was forced to the indoors by his illness. The last couple of years, Tom would reminisce about the fun times he had on hunting trips and how he wished he could go on one more hunt. He will be missed.

A special thanks to VA Home-based Primary Care and HPH Hospice of Citrus County for their loving care and support during these difficult times. In memory of Tom, please send donations to: National Multiple Sclerosis Society, Mid Florida Chapter, P.O. Box 621207, Orlando, FL 32862-1207.

“ Tom was a great guy who diligently worked for the betterment of Tracy's Point Community in Lake Panasoffkee, Florida. He would advise me when our vacant lots needed attention and even help me arrange for their maintenance. I'm sure he will be missed very much by his loved ones.
