“*I would have loved to get up and speak at Brother Tom's service, however I knew the lump in my throat would have made it impossible to speak. I will forever remember Brother Tom for his bear hugs and his incredible ability to pray for people and cause faith to rise up in them. I will never remember the prayer he prayed the night I called him about our grandson Nicholas - I cannot recall the words only the feeling g of peace and calm I had when he finished praying. May God bless you all with the same peace.*

“ I am saddened to know that Tom has passed away. He was a great guy. He was the one that told me about my brother's death. He was very kind and polite when I went to his and Roseanne's house on December 14th 1977. He came out to me while I was in my car and told me what he and his sister had seen on the TV news report. He told me to sit down in my car because he had something to tell me. He said that my brother, Howard, was killed in a motorcycle accident. I always respected Tom. I loved his family. Dolly Parton was one of his dad's favorite singers. Roseanne was always a great friend of mine. I had recently broken up with my girlfriend Theresa Witt but had spent the night with her (December 13th) at her mobile home. I think Robert Sands was with me. We left Theresa's place around noon on December 14th and drove to Tom and Roseanne's house. That's when Tom came out and told me about what happened to my brother. I left Robert at Tom's house and drove non stop to my house only to find out that yes my brother was dead. I thank you Tom for standing up like a man even at your young age and telling me about my brother. The world is missing an awesome person right now. You are in heaven with Jesus at this very moment. That is so awesome!

“ Tom was a good man. He was strong but humble. I only knew him when he was young. But he was always there for his family and friends. I never knew him as a pastor. But I think he was one of the best!

“ Tina and Family: I said, "God, I hurt." God said, "I know." I said, "God, I cry a lot." God said, "That's why I gave you tears." I said, "God, I am so depressed." And God said, "That's why I sent the sunshine." I said, "God, life is so hard." God said, "That's why I gave you loved ones." I said, "God, my loved one died." And God said, "So did mine." I said, "God, it is such a loss." God said, "I saw mine nailed to the cross." I said, "But God, Your loved one lives." And God said, "So does yours." I said, "God, where is he now?" God said, "Mine is on My right, yours is in My Light." Then I said, "But God, it hurts." And God said, "I know..."

“ I would just like to say Thank you to Tom and the entire family, for the strong impact the Sugg's have all made in my life. Tom and Shelby visited my son in the hospital at the worst of worst when other people would not even come visit, they are amazing ! Tom was always supportive of others even when WE did not always support him as we should have. I still cannot almost not believe, but now always will know the faith I have must grow and with him now in a divine position to keep an eye on my every move, I better step up my A game :) May God bless you all immensely, you are all very dear to my heart and life, and I miss you guys a lot , much love Nora B

“ This true man of GOD. What an awesome inspiration to so many thru his Love and dedication for our Savior Jesus Christ. I knew you when you were a church member at First Baptist Webster, a deacon, a youth minister and an ordained Christian for the LORD. I remember the loving kindness you shared with anyone and the awesome Father to your children, and the love for your wife. A blessed and loving family when you seen them. I know you are with our Savior. I know your Father has said "Son well done" your mission has been done. You will be missed until we meet again as you are in the loving arms of our LORD.
