“ Sincere sympathies to the family from a couple of Tom's Water Volleyball and pickleball friends. We met Tom at the pool or on the court, and we have good memories of fun times playing those sports with Tom (Kingfish). Tom must have been a good athlete in his youth, because he was quick on the court, and his left-handedness made his shots harder to defend against. In the pool, he liked to lurk low in the water, rising up suddenly to hit a ball, creating enough turbulence and splash to earn the the nickname "Tommy Tsunami"! And of course, he would tell you he would "never" hit the ball out! :). I think the last time we saw Tom was at the Senior Games water volleyball tournament in early March. I think he was there with one of his sons. It was great to see him and enjoy his wry sense of humor again. Once again, our sincere sympathies on his passing. Chad and Lynda Norcross

“ Dear Tom, Brian and Michael,
Please know our thoughts and prayers are with all of you and your whole family.
Your Mom was my best friend (Aunt Chris) from 6th grade until her passing and like a sister to me. Our families spent many happy times together and even went on some vacations together.
You parents were Aunt Lynn and Uncle Tom to our children and the loss of your Dad is like losing a brother to both of us.
If there is anything any of you need, please do not hesitate to call.
Love, Aunt Chris and Uncle John
