“ *Tim, I just can't find the words to express the sadness of You being gone. I remember when we met-we were so close friends- U met me everyday after school & watched over me. U were like a big brother & in 1968 U were the best man at my wedding. The family had alot of good times at that happy lil motel where soo many memories were made. There are just to many stories to tell.-Later You married my sister & we had children that were as close as brothers & sisters thereselves. we remained such a close family & shared alot of good times, holidays & sad times. memories that will never be forgotten. Tim, U will always hold a special place in my heart & U will truly be missed. I know that U are in a better place & this is not "goodbye" Take care of Mom for me & give her a big hug. I love U all~~TIL WE MEET AGAIN!*

“ *TIM, We shared lots of years, and had a whole lot of fun. But God has called you home to his son. I just can't believe it has ended this way- there were so many things I had wanted to say. It's too late for that now, it will just have to wait, until the day that I see you at the heavenly gate. May your soul rest well, my beloved brother, but the day is not over, because we shall share another. Your saddened death has left a big hole; but I'll try not to fret; your now a free soul. So when times are great, and happy as such, I'll think of you, my brother, I'll miss you so much. So goodbye for now, my brother. I have not one regret. You were a part of my life that I'll never forget.... My brother~my best friend, Love & miss You, Ted*

“ Uncle Tim, from the day i was born, thru all our childhood it seemed as though our family remained as one- always together -day after day. so many memories growing up with all of us together. not many can say they have a "UNCLE" twice. though years have seperated our family awhile thru distance & health ..I am grateful to say I was able to be home to spend some time with You before U left us for a better place. I will miss You Uncle Tim & the memories will live on forever. U were loved more than U could ever know.U will always be missed.see U later

“ To my Uncle Tim: When you wanted to be, you were the sweetest, most generous person I've ever had the pleasure of knowing. I will miss your smile and laughter the most. My fondest memory was my 16th birthday when you and Aunt Paula were at the house and you gave me a bike. You all had a good time making fun of me and telling me to watch out for those trees and the cracks in the sidewalks. It was because when I was learning how to ride a bike in Arcadia, I used the trees as my brakes and cracks in the sidewalk were dangerous places for me to navigate. You will be missed but you are with so many of our family that I'm sure there is a party raging all the time. Love you and miss you, Tamara a.k.a Tammy

“ Altho I will never know the truth about who my father truly is, I still feel ver connected and apart of my potential father Larry Alwert and his family. It saddens me to loose people that may be apart of my life esp with the not knowing and to never have met some of them :( In my eyes regardless you are family to me and I pray that you RIP uncle Tim and I hope that god will see the rest of the family through their sorrow and pain of loosing you. To the family god bless all of you and peace and love to all of you. Sincerely Deanna
