“ I was introduced to Timmy through friends in '97. I was younger, so I didn't go to school w Timmy or his co-horts & I had absolutely no idea what I was getting into!!

I didn't watch pro football, only college...& Once my team played, college football was done for the day. The only gambling I had done was scratch offs and only knew the Hank & David Alan Coe songs that were on the radio. My 1st day of meeting him & his Donkeys, was for a 1pm Miami game, @ Black Bass Circle!

I had no idea that my life was going to change after that meeting, nor did I think I was going to volunteer to hang around for another 14 years, but I'm so glad I did!

He gave me a pro team, showed me Vegas (although, we still don't know if Casinos have pools). Showed me hideouts in Lake County... introduced me to friends I still have today and gave me an honorary nephew.

No matter how you look at it, Timmy truly was a Legend of Leesburg. If you knew him, you don't have just 1 'Timmy' story, you have hours! ...And mostly true!!!

My love to John Taylor, The Connell family, and to his many friends that will miss him dearly.
