“ I'm so sorry for Tim's passing. If there ever was a true gentleman, it was Tim. He always helped anyone who asked. I will miss him and hope when and if I come to Heaven he will meet me at the gates to show me the way.

“ Joan and family I am so very sorry for your loss. Tim was the first person to invite me into your home years ago to help me in programming a radio. Since then I have enjoyed his presence at several airplane clubs we have belonged to. Most recently, he gifted me one of his prized models and I am extremely grateful. Please let me know if I can help in any way. RIP Tim !! ❤️🛩️.....🛩️

“ Tim will be missed. He served as president of our flying club and contributed greatly to solving the rain water wash out problems with our landing strip.

Thank you Tim; until we meet again.

“ Joanie, I am heartbroken to hear about Tim's passing. He was one of my all-time favorite coworkers, a great mentor and someone who was a wonderful friend. There were few men that I met in my lifetime who were as sincere as Tim. He regularly gave credit to others when in fact it was because of him that we notched many successes during our careers at FPL. I will never forget the great times after working incredible hours after our projects. RIP my Marine friend, I'm sure you're sailing in some beautiful waters.
