

Timothy Hoover

April 4, 1950 - January 3, 2023

Timothy Hoover, 72, of the Villages, FL, passed away suddenly on January 3, 2023.

Born April 4, 1950 in Mount Holly, NJ, Tim was a long-time Maple Shade resident and graduated from Merchantville High School in 1968. Tim went on to attend Glassboro State College where he earned degrees in education and counseling (MA), and played college baseball. He married his high school sweetheart, Doris Elaine Barndt, and they resided in Mount Laurel, NJ where they raised their family.

Tim spent his career in the Pennsauken School District. He worked as a guidance counselor, history teacher, and coached field & track. After retiring, he was a true snowbird who enjoyed many outdoor activities in both Florida and his beloved Machiasport, Maine. A faithful Eagles fan, he was always cheering on the Birds when he was not watching World War II documentaries. Throughout his life, he was incredibly active and industrious. In his free time, Tim enjoyed spending time with family, playing with his grandchildren, hiking, traveling, jogging, kayaking, fishing, playing water volleyball, refurbishing old things, and walking the beach. A true patriot, he valued and appreciated the sacrifices of service men and women, but the most important thing to him was his unwavering love of the Lord.

Tim is survived by his wife Doris (Barndt) Hoover; his daughters Emily (Morgan), Laura (Bruno) and Christine (Acquaah); their spouses and six grandchildren; as well as his sister, Barbara McGonigle.

“ I had the sincere privilege of working alongside Tim and the Phiifer Middle School. He was a counselor at that time and I was a teacher. I vividly remember a conversation with him regarding moving from teaching to counseling and how the change from the teaching position to role of counselor significantly increased his longevity in the education field! While we both loved our roles as classroom educators, it wasn't long before I took his advice and secured my spot as a counselor. What a smart man he was! I later had the opportunity to work with him as a member of the PHS in the Counseling Department. His gentle, kind, intelligent, and empathetic manner allowed him to excel in his role and learned so much from him. Thank you my friend for sharing your wisdom! I'm forever grateful. Please accept my sincerest condolences - God has welcomed an experienced, humble counselor!

“ I met Tim in 1989 when I started my teaching career at Pennsauken High School. I had the privilege of coaching track with him and getting to know him on long bus rides and at long Saturday meets. He was a kind, honest and gentle man who I admired a great deal. As a born again believer, I was blessed that God orchestrated our meeting and the relationship we developed. Tim's love for God was evident in his words and deeds and his influence helped me mature in Christ. I know he trusted in God's promise of salvation in Christ and look forward to seeing him one day in glory.

“ Tim and I were high school classmates at Merchantville. He was such a great guy. I also knew Doris from school. They were such a great couple. I also had the privilege of teaching art to the 3 Hoover daughters... beautiful girls inside and out who reflected their parents upbringing. My condolences to the family. May you all find peace in your memories.

“ You always greeted me with a happy and welcoming smile and the words, "Hey Janet!" You loved spiking badmitton birdies into the heads of your opponents. I was often one of them. My favorite memories are of watching you and my sister dance. You danced at weddings, on the square at The Villages, and in your kitchen/dining area. Good times. My mom and dad loved you being their son-in-law. You always fit into our family so easily.
