“ Tim was a very special friend of mine whom I have known for years in Michigan and Florida. He was a very generous and caring person with a great personality and sense of humor. Every year while I lived in Bridgeport of Lake Miona, he used to decorate my Christmas and the inside of my house. He had a very good talent for this. He will be sadly missed. Rest in peace my special friend.

“ Timmy was a bright spot in both of our lives. He had the best sense of humor. Made working fun. He was also kind and compassionate. He has left a hole in so many people's hearts. We are so fortunate to have known him.

“ I met Tim back in 1979. It was the opening night of the big addition to the Brownwood Acres restaurant and my brother and I were assigned to bus tables for Tim. He rocked our world! He was a true professional as a server and he was loved by the staff and guests. I worked the summers for the next several years. It was always a hoot to work the same shift as Tim. He was kind, super funny and loved people. He will be missed. Jay Berger

“ When death comes and whispers to me, "Thy days are ended," let me say to him, "I have lived in love and not in mere time." He will ask, "Will thy songs remain?" I shall say, "I know not, but this I know that often when I sang I found my eternity." Rest in peace Timmy. You always blessed my life when our paths crossed. The smile, the laugh, the wit, and the wink. You will be missed.

“ Tim, I can honestly say that you were the best neighbor anyone could ever have. Your smiling face, and making me laugh when you would see me outside in my yard, or at one of the neighborhood stores. I just spoke with you in early October, and had no clue it would be the last time. Thank you for being a kind person Tim....till we meet again buddy.. Holly
