“ Tim and I became friends immediately upon meeting in 2016. That week we made some great memories along with Robert and Jack. GREAT TIMES! Always fun to be around. He treated my young teenage son so well at a trade show we worked together. When you add to one persons life you have made a positive impact in the world. Tim added to many lives- You did it right buddy!!! We will miss you so much!!!

“ We are so saddened by the loss of our rep and dear friend Tim. His personality was as bright as his shirts were! He loved to tell us about the grand kids and kids every time he was in our stores! We have so many wonderful memories of our time together whether business or pleasure. His true love was for his wonderful wife as you could hear it when he spoke of her. We will truly miss him and are so sorry for your loss of your husband, dad and grandpa! We hope his memory will soon bring you comfort in the days ahead. Our deepest condolences from Nancy and Chris Erlemann and The Creative Floors family
