Tim was many things to many people; friend, confidant, advisor, golf partner, but above all, he was a loving and devoted husband, father, and grandfather.

Unseen, unheard, but always near,

Still loved, still missed and very dear.

“ *My sincerest condolences to Judy and your children, grandchildren, family and friends. I knew Tim in High School and from what I am reading he became a man much like the boy I knew. He was always so easy going, so friendly, loyal and had a great sense of humor. He always had a strong sense of self well beyond his years. I am happy he had a wonderful family to love and that he was loved. God Bless You All. May you know the peace that surpasses all understanding and share lots of stories and memories until you meet with him again.*

“ My name is John Keating. I am a Fairfax County Police Officer. I consider myself very fortunate to know the son of Mr. Timothy John Scheibel. Matt and I worked together when we were both rookies. Thou I never met his father, I know the man that Matt became based upon what his dad instilled in him. A short story that I will share is from our job as police officers. I worked in a place we called 390 at the time. Matt worked up in 300. Do the math. We were not in close proximity of each other. Well, I was sent on a violent call with no back up. There was just no one available, and a police officer never wants to be alone on a "bad" call. I heard Matt get on the radio and say he was coming. He drove like a mad man and made sure that I was safe that day. Though his father never knew that story, I am sure he is proud. Mr. Scheibel's son would never let a man down. I lost my father this year also. So I can understand the pain that the entire family must be feeling. Rest assured that Mr. Scheibel looks down upon us all with pride and honor. May he rest is peace. John

“ I am blessed to have known and worked along side of this genuine caring man.He was a loving person of strong life and family values and never wavered to anyone.He was not only my boss but he was a friend. Everyone that knew Tim knew how much he cherished his family. Tim mentored everyone that worked in his office at City Hall and its the sole reason why the Park system is in the shape that its in today because of the knowledge that was introduced to his staff.I can go on and on here. Tim we love you for who you were and knowing now your in a better place. God Bless.
