“ *Tim was one of the brightest stars of LCS class of '85 , he always added spice to an event, although he hasn't Been in NY In many years, he came home for a few of the reunions, and was always a pleasure to see. Tim always lived life to the fullest!! No regrets...He will be missed on earth, but his spirit will still surround all those he loved, I'm so sorry for this loss to all of his family and friends . The grief will be very heavy for a while , but he would want you to cherish the great memories, and smile that big charismatic smile he was so well known for!*

“ Tim was like a second son to me and especially to the "love of my life" Bud. If Robb could have had an older brother, it would have been Tim. Tim went to Bud's gravesite every year Jan. 16th and left a note. Yes, this year he did that again. I have been carrying around the picture and note Tim left to Bud. All that has happened to Tim and being a big part of our family and work life (Bud's Land Works) has been in God's plan and timeline!!!! When Bud shaved his head during chemo treatment, Tim and Robb shaved theirs with him that day. Tim holds a very special loving spot in my heart for all the kind and memorable times we shared together in the Grantham household and shop!! He will be greatly missed by me and my family. God Bless his sons and family and know that Tim and Bud together are the guardian angels we now have watching us!!
