“ *I first met Tim in the Music store (Tune Town) and really appreciated his talent since we were both keyboard players. He totally enjoyed playing and entertaining people especially here in The Villages. His passing was a real shock at his young age. Glenn Lewis*

“ Tim, Sorry to see you go. You always made me laugh. Growing up together and singing in the band were great times that I'll always remember. You're playin' to a much higher audience now. You finally made to the big time. Love ya.....

“ I worked with Tim at Junior Achievement of Elkhart County. At first I was his assistant, then later when he moved to Florida, the Board chose me to fill Tim's shoes. For 15 years, we stayed in touch, had lots of calls, a couple of visits. I've sent lots of prayers up for Tim. Tim had a great capacity to love, he had a fresh way of looking at life. He did a lot of good in Elkhart...the saying goes: "and the good is oft interred with their bones" fits Tim. He'll never know of all the seeds of hope for young people he planted. Tim had the ability to live life in the moment. I will miss him, God speed.
