“ I never had the opportunity to meet Tina. But everytime Jay spoke to me of his mom and dad. I always pictured Jay's family as a close net and loving family. I used to think, that is such a blessing. After my brother passed away, i felt so alone and empty. I remember thinking to God, I dont have a brother anymore. And God replied Erik is alive and well in heaven. He is not dead. God blessed me with his comfort.
