“ Tina:
You were a great friend. I have so many memories to carry with me and will miss our talks. You were one of the most genuine people I know, one in a million for sure. You will always be remembered by your family and friends.

Rory and family:
We are here for you and thinking of you. I hope in time it will get easier.

“ Tina,

My heart is hurting. I know you gave that nasty beast all the hell you could as you fought to be here for and with your family.

I appreciate all the kindness shown to my family, especially my Flipper. I recall the last time you drove your vehicle in the yard to deliver a package. It was almost Christmas and Philip was searching everything and everywhere for packages. He tried desperately to get in your truck in his quest to find his Christmas Presents. From that point on, all packages were left with the neighbor. I also fondly remember when you put the word out to a Facebook Postal group about Philip and his love of mail. He received cards from mail carriers all around the country...that was epic and I am forever grateful!!!

I love you and I will miss you my friend!

Rory, Sean, Marquis and family, I am so sorry for your loss. Tina loved all of you and spoke of you as often as we had time to chat. May you somehow find comfort in knowing that she is no longer in pain, and her body is brand new. I pray God hold you and give you peace in the days ahead!

*Big hugs and prayers,
Annie Brown Bonnett and Philip*
