

Todd Andrew Chandler

February 22, 1973 - April 3, 2025

Todd Andrew Chandler was someone that can never be forgotten. He was born on February 22, 1973 in Granite City, Illinois to Jim and Carol Chandler. He received a certificate of achievement from Lakeland High School in 1992. Todd participated in numerous things from bowling leagues, Special Olympics, worked at McDonalds and The Arc of Noble County Foundations.

Todd fully embodied the Hebrew word, Agape, which means shows love for all, including enemies, just like Jesus did. Todd's love for the Lord was inspiring and unwavering. He truly sang like no one was listening, prayed constantly and his life goal was to go to college to be a Pastor. Even though Todd is no longer here with us on earth, he is finally getting his chance to meet his Savior and be in eternity with the Lord.

If you ever had the chance to meet Todd, you would have been greeted with a big bear hug and him asking if you rode his bus with him. He was always offering to take people to Dairy Queen, Applebee's or to Subway, on him. He was beyond caring and generous to all. Whenever you had a conversation with Todd, he probably told you about how he is going to the University of Illinois, will be marrying Jennifer and how the Cubs will win next year. While this is only a sneak peek into how marvelous Todd was, he was ready to be with the Lord.

Todd will always be remembered for his big smile and caring heart. He passed away on April 3, 2025 in Clermont, Florida. Todd is survived by his parents, Jim and Carol Chandler, Brothers, Eric (Amelia) Chandler, Brian (Andrea) Chandler, Kevin (Megan) Chandler, nieces, Kiley, Kendall and nephews, Lance, Duncan. Please email all of your favorite Todd Chandler stories to kileyachandler@gmail.com to be made into a book for the family.

“ Todd was an amazing man who brought a smile to our faces as well as constantly tell me (Tim) how lucky I am to have such a beautiful wife (Dawn), and that he is a better singer than me (and for the record, no one worshiped God better than Todd).

Thank you, Todd for loving us every time we saw you. You were an amazing example to us all.

Todd, when my daughter was born 29 years ago with that extra chromosome, I was scared and didn't know what kind of life she would have. Your mom, who was a stranger to me, came to the hospital to give me words of encouragement and to tell me your story. I decided to keep my baby that day, and it was the best decision I ever made. Thank you Todd, for being you.

“ I, too, remember Todd telling me he wanted to be a minister. Although he wasn't ordained, he certainly knew how to spread God's love. His happiness was contagious. Thinking of you and your family.

Todd was a joy. I'll always remember he and my brother, Fred, in the backseat arguing religion and politics when I'd drive them home from bowling. And his wonderful hugs!

I have always thought that Todd was special. He was a bright light in my day when our paths would cross. He was overflowing with kindness and love to share with everyone he met, even if you were a stranger. He will be truly missed by many.
