“ John and Martha, This could be duplicate as I'm unsure if my first message came through. At any rate I read of Tracy's passing today. I am so sorry to hear this news and will be thinking of you both and the rest of your family in the coming days and weeks. As kids we had great fun in the neighborhood playing football, sledding and such with Tracy and others. Regards, Jason Hahn

“ Tracy and I were childhood best friends. I have wonderful memories of her. I always wondered where she moved to and how she was. I missed her terribly! Just one day she moved away with no word to anyone. Tracy was like a Mustang (Horse). Everyone always wants to tame it, but they are made to be admired from a distance. Gob Bless her child and family. I will always remember her smile and laugh!!!

“ Hello Mr & Mrs Hall, I would like to say how sorry i am to hear about the loss of Tracy in your family. Mrs. Hall was one of my teachers back in Peru in 1986 and i went to school with Tracy. Tracy and i didn't have the same friends or spoke on a reg occasion but i thought about her over the years and whta had become of her live? I remember the only converstaion i had with Tracy was back in 1987 in DR. Stalkers office and she asked me one question and i often had wondered what decision Tracy made after that day and if anything i said to her made a difference?I never ran into her again to find out and i am so sorry to hear of her passing please know i said a prayer for your family and i don't really know if Mrs. Hall will remember teaching me but i want her to know i thought she was a wonderful teacher. God bless your family and again i am sorry.....

“ Dear Martha, John, Amy and Courtney, I was so sad when Julie called to tell me about Tracy's death. I have been remembering happier days when Julie and Tracy would make the decorated plates, etc. at your house. They had so much fun together. I pray that God will bless all of you with comfort and peace of mind. Love,
Joan

“ Dear John, Martha, Amy, and Courtney, I was so sad to hear of Tracy's passing. She will forever hold a place in my heart. I have so many memories of us growing up together on Crestview Dr. The last time I saw her was when Courtney was 3 at my parent's house. I still have and use the plates we made growing up with my family. I know she had an internal battle that she fought and I hope she has peace now and she will be remembered for all her beauty she held within. I love you Tracy and all of your family is in my thoughts.
