“ I was so in love with him as a young teenager, he was my first love. He gave me the sweetest promise ring it was white gold, said love and had a little diamond in the "O" We were so young and didn't have enough in common to sustain a relationship. He used to come visit me on his motorcycle. I remember how handsome he was when he came to pick me up to go to homecoming. He had his FFA jacket on and was so sweet. I will cherish these memories of him. RIP my friend.
