

## Tyler Jordan Clark

September 28, 1994 - June 14, 2021

Tyler Jordan Clark, age 26 of Grand Island, Florida, passed away on June 14, 2021. He was born in Evansville, Indiana to Bradley and Pamela Clark. Tyler spent his working years as an entrepreneur.

"Your dark days are over and you're at peace. In God's arms, you will shine. He had a heart of Gold. He would give you the shirt off his back at the drop of a dime. He was a very optimistic, loving man. His positive outlook and infectious smile and laugh touched all who were lucky enough to have shared a moment with him.

He loved fishing, boating and music, and most importantly, spending time with his family, which is where he really showed his heart of gold. He touched everyone in his life in a way that only Tyler could, with true, unconditional love. Being an organ donor, he has saved 4 people's lives already. The one who got his heart is truly the blessed one. Tyler Jordan Clark, you are a hero. Fly high. We love and miss you so much."

"Why?"

That's what we ask. The truth is, we may never be able to know for sure why, but we do know that there is no single 'should have done' or 'did' or 'didn't do' that would have changed that why. All that Love could do was done."

Tyler is survived by his mother Pam; father Brad; brother Brandon; aunts and uncles: Ken & Courtney Botham, Mark & Maxine Clark, Eric & Trish Daughtery; grandmother Patricia Schmidt; many cousins and life-long friends.

The Clark family will receive visitors on Sunday, June 27, 2021 from 1-2pm at Beyers Funeral Home Chapel in Umatilla, Florida followed by a Celebration of Life at 2pm. Services will be officiated by Pastor Steven Storey.

In lieu of flowers, Tyler's family requests that donations be made in his honor to any organization of your choice that is dedicated to mental health and wellness.

Arrangements entrusted to Beyers Funeral Home of Umatilla, FL.
