“ Tyrone and Callie, I am so very sorry for your loss. Nothing said can lighten your pain. He is a beautiful baby, I know you loved him and he was blessed to have you both as his Mom and Daddy. Lots of Love, Kimberly

“ No words in the world can describe the overwhelming feeling of happiness I felt everyday I saw your beautiful smile. You reminded me that love is the greatest and only reason we still have hope. God giving you to us showed me the power of that love, of friends and of family. God taking you back showed me how fragile and extremely precious every second means to us. You are always in my thoughts and always in my prayers and you will always own a place in my heart. To my godson.. my nephew.. and the meaning of life... I Love You

“ What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget.
