“ I only had an opportunity to meet Mr. Carnecchia once several years ago when my cousin, Frank Kurtz and I had an overnight stay on a quick trip to Florida. He was a very nice man and he became a father figure to my cousin, Frank. He helped my cousin more than he knew and he is to be admired for helping my cousin. My cousin called him his dad and I want to say to his family including my cousin, I am very sorry for your loss. May God give you all comfort and peace. Frankie's cousin, Judy
