“ Vanessa was an instant and devoted friend since the moment we met. I will miss her horribly. She made me laugh and was there for me always. What a special soul she is. I loved her so much. Hard to believe she'll be looking down on us now instead of next to us. My condolences to her loved ones, which includes me. ❤️💔

“ Our community is heartbroken over the loss of Vanessa. This is a tremendous loss for our neighborhood—she was a true fixture here and we will all miss her big beautiful smile and sharp wit. She always said exactly what was on her mind—and we loved her for it. Wednesday coffee and the shuffleboard courts will not be the same without her. And it is hard to imagine carport get-togethers without her. We will cherish the memories of dinner and good times on the boat spotting gators and monkeys. She was loved. Every time we see a cardinal, we will think of her. Sending Mark and the Family our deepest sympathy, Delvys & Jaynie Estrada (Coachwood Colony "Sunshine")
