“ Our community is heartbroken over the loss of Vanessa. This is a tremendous loss for our neighborhood—she was a true fixture here and we will all miss her big beautiful smile and sharp wit. She always said exactly what was on her mind—and we loved her for it. Wednesday coffee and the shuffleboard courts will not be the same without her. And it is hard to imagine carport get-togethers without her. We will cherish the memories of dinner and good times on the boat spotting gators and monkeys. She was loved. Every time we see a cardinal, we will think of her. Sending Mark and the Family our deepest sympathy, Delvys & Jaynie Estrada (Coachwood Colony "Sunshine")
