BF

“ Smiley was a one of the most unique men that I have ever known. He was always smiling, joking and laughing. He was so laid back and easy going. He enjoyed life. He loved his family and friends. My prayers are with you. He will be missed by all. I know we will all see him in heaven one day. There he will be with that great big smile on his face asking what took ya'll so long?

“ Our heartfelt condolences to Smiley's family. Smiley was a very good friend, always smiling, warm-hearted, and so accommodating. We will surely miss him! May the good Lord keep him in His loving arms and give him eternal peace and may God grant his whole family the strength in their time of sadness. We love you, Smiley.
