“ *Dear Sweet Uncle Venty, some people get a glimpse of the perfect love stories only in fairy-tales or movies. Our family was blessed to see one unfold over sixty years ago when you first met Aunt Lucy. It was love at first sight and one that developed into true devotion for each other very quickly. You were then and have always been the perfect man for her. Dear Lovely Aunt Lucy, my family's thoughts and prayers go out to you for the loss of this wonderful husband that you shared your love and life with, but I know that the deep love between the two is everlasting, for nothing can come between a love that deep. Dear Linda, Joseph and Melissa, my family shares in the loss of such a wonderful father, who together with your mom worked so hard to nurture you and help you become the wonderful people you are. Dear Rosemarie and Henry and Mary, my family's hearts go out to all of you for the loss of such a loving and caring brother and brother-in-law. You have always shared Venty's love for and enjoyment of life. You showed your love for him for always being there, especially in his greatest time of need. This wonderful man will truly be missed by all of us. Lovingly. Carol, Jim and Rose*

“ *Dear Lucy, We are so very sorry to hear your loss of Venty. We read it in St. Tim's Sunday bulletin. He will be missed by many. Ed (Spanish Springs Lanes) always enjoyed seeing you and him come in on Wednesdays. Even when he did not feel good, there was Venty watching the bowlers. Love to all,*
