“ *I would like to offer my heartfelt sympathy to the Belanger family during these trying times and for you all to know that Verna was a sweet and kind lady and that was personally evident to my family the way she helped take care of my ailing grandmother in her time of need. I know she will be missed immensely by all who knew her.*

“ May God bless your family always. Verna was a very special lady who welcomed my Dad, brother and me into her life: first when she married my cousin Chuck Hesseltine and when my Dad married Verna's sister Dolly. One big happy family back in the day. Most of us moved away losing touch for many years and I'm sorry I didn't get another chance to see her. I would've loved one more chance to say "I love you Verna!" May God be with you kids and your families forever. Love you all!

“ Verna... Thank you for being you. I know these past few years we have not as close as we've liked, but that doesn't mean I haven't thought of you often. You are a very important person in my life and I appreciate all you've done for us. Love you always. Anne Abear
