“ Dear Veronicie, Thanks to you Lady Lake was my second home away from home. You always treated me as one of your own...that alone I will always appreciate. Words can not express the feeling of loss that came over me upon your passing. It was my intent to get to Lady Lake one last time to see you, regretfully so I did not make it. What I wouldn't give for one last visit with you. We sure had some good laughs didn't we? "Oh, that girl" you would say with a slight sigh. It all comes back to me now as the time just slips away. I hope some day to see you on the other side, rest easy. When Irish eyes are smiling... For your smile is a part Of the love in your heart, And it makes even sunshine more bright. Check the oil! Love, Jin Colleen, Rick, Maura and Family, She had a smile that went ear to ear! That is the picture I will hold in my mind for all of time. We had a breakfast at the American Legion in LeRoy today, 12/13/09 there I saw Don and Grace McBurney. Together we were mourning as we shared a kind exchange in memory of your mother Veronica, she is missed by all. May memories of yesterdays bring you comfort in your sorrow. Our deepest sympathy with heavy heart go out to youall. Love Always, Jeanice and Dan

“ Veronica, you were such a welcomed and caring addition to our family, always inquiring as to how my son or I was doing, and I knew I could entrust my daughter and her family to your care, and your vigilance and love and protection would be neverending, as I know it still will be. I will miss your warm conversations, and your departure from us to meet your heavenly father has the Norris household in mourning. God bless you. To the Airth children and families, deepest condolences. Our thoughts and prayers are with you.
