“*Uncle Vic was very special to me growing up. I always appreciated his good humor and how well he took care of Aunt Eleanor and his son, Vic. We had many wonderful times: going on picnics, having dinner at his home and Grandma Flikeid's at Thanksgiving and Christmas and water skiing and snowmobiling at the lake. He always made my family feel welcome and part of the family. I appreciated his Christmas cards from Florida. I look forward to meeting him again in the next life. Hugs and prayers for his family. Love, your niece, Kitty*
