“ Dear Bev and Laurie, so sorry to read of Vic's passing. I will always remember him as a mountain of a man. Growing up at Rose Lake he was the biggest guy we knew, We still remember all of the kindness and effort he put into trying to find my sisters lost horse at the lake. In his most generous way, our kids still talk about him getting great MN Twins tickets for them. He was a kind, hard working man. It was a blessing to know him. The best to you in these times.
