“ I have known Vicki for over 25 years. She was an amazing woman. She was a highly successful business woman, who always went the extra mile to assist her clients. We relied on her heavily to see our transactions through to a successful closing. She did so with a calm grace and seemingly endless energy. Her family was a source of great pleasure for her. She was a loving parent & grandmother. She had great pride and boundless joy in her beautiful grandchildren. We love you Vicki and we will miss you beyond words!  
Love, Elaine

“ I have known Vicki professionally for over 25 years and she was a wizard when it came to difficult titles. Over the years, Vicki pulled many of my deals out of the fire. I will miss her professionally but more importantly, I will miss her as a friend. That warm smile and big heart are rare in today's world. I pray that God grant's her loved one's the grace and dignity they will need during this difficult time.
