“ *"The Broken Chain" We little knew that day, God was going to call your name. In life we loved you dearly, In death, we do the same.It broke our hearts to lose you.You did not go alone. For part of us went with you, The day God called you home.You left us beautiful memories, Your love is still our guide. And although we cannot see you, You are always at our side.Our family chain is broken, And nothing seems the same,But as God calls us one by one,The chain will link again. Author: Ron Tranmerlf*

“ Vicky meant a lot more to me then most think she did, when I was upset I always headed down to talk to her, and she always made me feel better. When I was unable to speak to anyone else about a problem she was there for me, she sat and listened understood and gave me the best advise. She knew a lot about me, and she helped me threw a lot. I know she didn't like me when she first meet me, but I think I kinda grew on her.. Before this happen she told me Meranda, Valon and I where like her family..... I hope she really felt that.. Because she was a part of my family!
