“ In addition to being loving, kind and generous, Vicki had the integrity and strength of character not often seen in today's world. I miss her more than I can say - especially when she had coffee and watched Netflix on the lanai. God bless her and her wonderful family.

*I am diminished:*

*‘No man is an island’*

*No man is an island, entire of itself; every man is a piece of the continent, a part of the main.*

*If a clod be washed away by the sea, Europe is the less, as well as if a promontory were, as well as if a manor of they friends` s or of thine own were.*

*Any man`s death diminishes me, because I am involved in mankind. And therefore never send to know for whom the bell tolls; it tolls for thee.*

“ What a wonderful neighbor Vicki was these past years. Her warm smile, not to mention her warm tea ring always welcomed us and we valued her wisdom in matters of business and politics. We wanted her to know how much we appreciated her and so we built a solid walkway from her house to ours so she could safely come sit with us and share a cup of coffee or a glass of wine. Vicki was the epitome of a good neighbor who morphed into a good friend. We miss her. Tom and Betty
