“ *Bobbi was very special to me and my family. I particularly remember the family Christmas Eve celebrations at her house. She used to babysit me when I was 3 to 5 years old. Our family lost a very special lady but heaven has gained a beautiful soul.*

“Robert, your mom was a much respected and kind lady. I remember seeing her when visiting you (and Ann) when we were all in high school. May God's comfort be with you and your family during this time.
