“ *Dear Charlie and Judy, Very sorry to hear of Vinny's passing. We purchased Vinny's home in Pittsfield last year and we love it. We recently found Vinny's name written behind some wallpaper in the bathroom with the year that the house was built. We took a photo and are going to frame it and hang it in the home. With Deepest Sympathy, Becky Barnini and Denise Sortino*

“ *The earth has lost a beautiful soul. My grandfather "my beampa", the patriarch of our family has taken his final journey. My heart aches as I think of all the wonderful things he has done for this world and this family. An immigrant from Calabria Italy, he fought in WWII for this country which he loved more than anything. He planted the seed for my passion of Italy, always talking about his homeland. He loved us more than anything, he loved his great grandchildren and he loved life. I know that my grandma and my aunt came to get him and take him to his final home. I will miss him very much and thank God for these 40 years that I was able to spend with him. We have been so blessed to have him on this earth and I will hold on to the wonderful memories he has given me. Thank you mom and dad for taking such good care of him. I will never forget the joy he brought Mario, my children and I..Buon viaggi Nonno e io ti amerò sempre... Mom, dad, my prayers are with you.*
