“ Thank you so much, Dad, for giving me so many of the wonderful traits you passed on to me. Thank you for all the nice memories I have of you! You were able to show Betty and her family how kind and caring of a man you really were. I will miss you very much. Life is precious and short lived here on earth and I pray that I will get to see you in Heaven. God Bless you, Dad. My prayers go out to Betty and all her immediate family down there in Florida. Love, Mark
